

SIDE SEAM SEWING

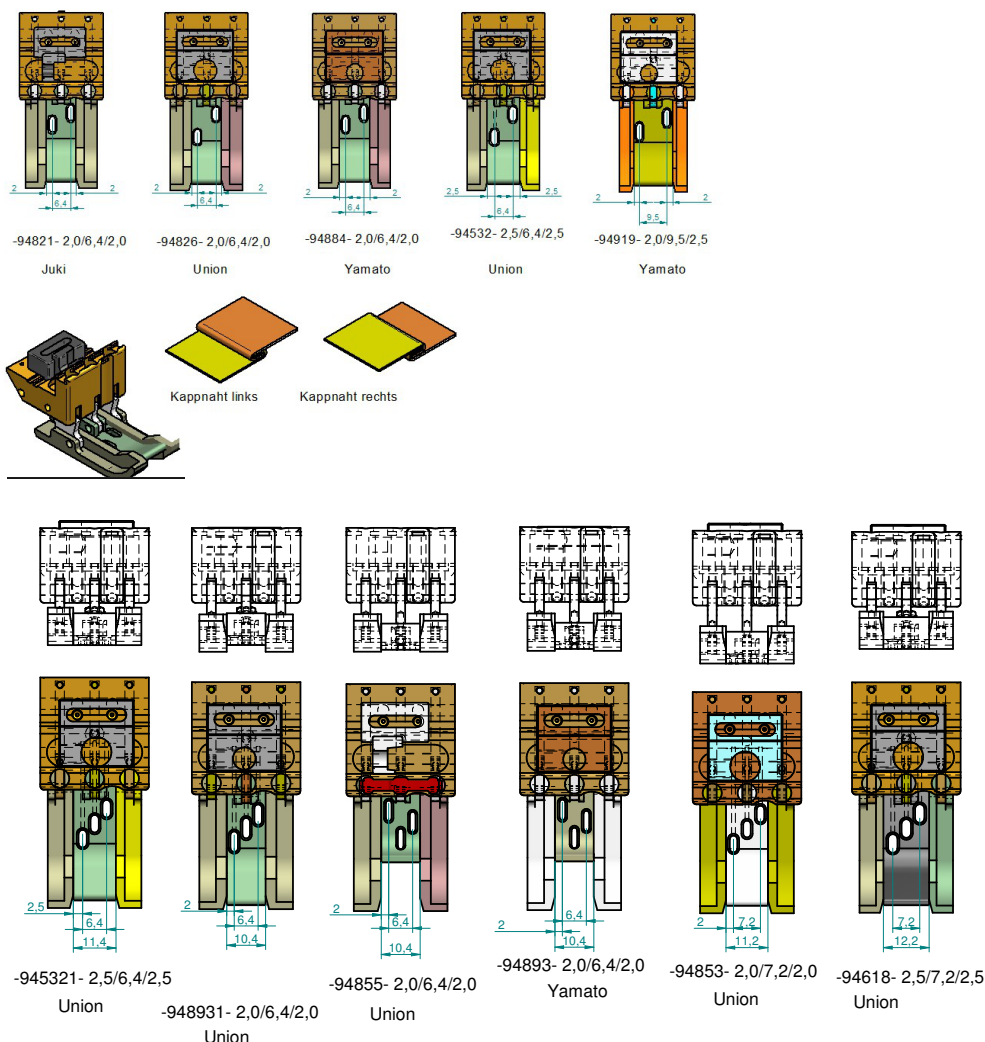

THREE-PART CHAINSTITCH-SEWING-FEET

For felled side seams on pants.

The right and left fell seam can therefore be sewn from top to bottom.

SPECIAL FEATURES:

- Sewing without changing with a left and right feller
- Sewing of fell seam from top to bottom
- For 2 and 3-needle double chainstitch machines

Three-part 2 and 3-needle chainstitch feet for fell seams. A right or left feller can be used for sewing. The right or left fell seam can therefore be sewn from top to bottom
