

SPECIAL SEWING FEET FOR TWO DIFFERENT OPERATIONS

REVOLVER SEWING FEET

A swivel mechanism always brings the correct sewing sole into the needle entry area. MK manufactures special customer-specific sewing feet for all sewing machine types.

SPECIAL FEATURES:

- Two different sewing operations can be realized on one sewing machine by rotating the swivel mechanism, without any conversion time

MK SUPPLIES CUSTOMER-SPECIFIC SEWING SOLE COMBINATIONS

- PIPING SOLE AND NORMAL LOCKSTITCH FOOT SEWING SOLE
- TAPE SEWING SOLE AND NORMAL LOCKSTITCH FOOT SEWING SOLE
