

SEWING OF LACE AND TAPES

TWO NEEDLE TAPE AND LACE FEET, ONE-PART

Special three-part foot for sewing on lace and braid fed in from above.

SPECIAL FEATURES:

- Tapes and braid fed in from above can be sewn with greater width with this special sewing foot
- "Corners" can also be sewn with a special sewing method
- Different versions are available, depending on the thickness and width of tapes/lace

Sewing feet for one and two-part chainstitch machines
